Explanation of any significant items in the budget:

Expenditures for mental health increased in response in part to last year's provider rate increases that ranged from 2.2% to 10%. County environment and education includes increases for replacement of a county conservation vehicle and increased Gateway and Harvester TIF reimbursements. Administration is one of the large service areas that encompasses six different departments and includes funding for contingency items such as building maintenance and legal fees that may not be spent. It also includes funding for the increase in utilities, upkeep of buildings and election expenses related to the 2008 general election.
