**NOTICE TO TAX SALE PURCHASERS OF THE TERMS AND CONDITIONS
GOVERNING TAX SALES AND ASSIGNMENTS FOR THE
TAX SALE HELD ON JUNE 19th 2017 at 10:00 AM**

Online Registration available starting May 22nd, 2017 at: www.iowataxauction.com

Delinquent Tax List will be available May 22nd, 2017. Contact our office to obtain list, CSV file or PDF format available.

The Marshall County Treasurer holds the annual tax sale on the third Monday in June at **10:00 a.m.** sharp for as long as purchasers are present. The annual sale is then adjourned to 10:00 a.m. to the third Monday of every month starting in August. If the third Monday falls on a legal holiday observed by the county, the sale for that month will be held on the fourth Monday.

The following information is provided to assist you in purchasing delinquent taxes at tax sale or in obtaining an assignment of a tax sale certificate:

1. All participants of the tax sale must pre-register by Wednesday June 14th, 2017. The first 10 to 15 minutes of the tax sale are given to verbal instructions on how the tax sale will be administered and the procedure to follow on making payment on your purchases.

- A. A W-9 form must be completed and signed as part of the preregistration process. This information is needed so that we can issue an accurate 1099-INT form with the appropriate Social Security Number or Taxpayer Identification Number.

At the end of the calendar year the treasurer will issue a 1099INT to you and to the internal revenue service if the accumulative interest paid to you during the calendar year is equal to or exceeds \$600.00. You will use this information when filing your federal and state income tax claims.

- B. A “register of bidders or assignees” form must be completed and signed as part of the pre-registration process. There will be a Non-Refundable \$25.00 charge per bidder. This form will be used to determine how the tax sale certificates and/or tax sale deeds shall be typed.

C. One person may act as agent for up to 10 bidders. Each bidder must pay the Non-Refundable registration fee of \$25.00.

D. By signing, I certify that the bidder, if not an individual, has a federal tax identification number and either a designation of agent for service of process on file with the Iowa Secretary of State or a verified statement of trade name on file with the Marshall County Recorder.

2. You may submit a written bid if you cannot attend; however, if other bids on the same parcel are received, the tax sale certificate will be issued to a bidder who is present.

You or the party for which you represent may not be entitled to bid at tax sale and become a tax sale purchaser by reason of having a vested interest in the parcel. A tax sale certificate of purchase and/or a Treasurer's deed can be set aside by the courts if it is determined that the tax sale purchaser was ineligible to bid at tax sale. The general rule is that a tax sale purchaser should never have an interest or lien in the parcel offered for sale.

You should consult with your legal counsel to determine your right to bid and become a tax sale purchaser.

3. Parcels with delinquent taxes are offered for sale by item number. It is imperative that you be prepared for the sale. **You need to know the item number(s) upon which you intend to bid. All tax sale purchases are final. There will be no changes after the sale.**

a) NEW in 2016, we sell by item number NOT receipt number. It will be the same number published in the newspaper and on any delinquent list purchased.

4. Payment is required at the time of purchase or at the conclusion of the sale. The amount collected will include all delinquent taxes, special assessments, interest, special assessment collection fees, publishing costs, and a certificate fee for each certificate issued to you.

Payment must be in the form of a personal check, money order, any form of guaranteed funds, and cash for the exact amount of the purchase. Two-party checks **will not** be accepted for payment.

5. Please allow 7 to 15 days to receive your certificate(s). This allows the Treasurer's staff time to complete posting of records, editing of certificates, and balancing the proceeds received from the tax sale.

6. The tax sale certificate of purchase does not convey title to the purchaser. The titleholder of record or other interested party retains the right to redeem within a specified period of time depending on the type of tax sale. If the certificate remains unredeemed after this period has expired, the purchaser may begin proceedings to obtain a tax deed to the parcel.

Regular Tax Sale:

Parcels sold on or after April 1, 1992, the 90-day notice of right of redemption may be issued after one year and nine months from the date of sale.

Public Bidder Sale:

Parcels sold on or after April 1, 1992, the 90-day notice of right of redemption may be issued nine months from the date of sale.

Failure to obtain deed -Cancellation of sale
Certificates issued on or after April 1, 1992

After three years have elapsed from the time of the sale, if action has not been completed which qualifies the holder of the certificate to obtain a deed, the Treasurer will cancel the tax sale certificate.

7. A tax sale purchaser may pay subsequent taxes and special assessments on the same parcel on which he/she holds the tax sale certificate. Taxes for a subsequent year may be paid beginning one month & fourteen days following the date from which an installment becomes delinquent. You must call; fax or e-mail (tax@co.marshall.ia.us) for current taxes, and notify us that you are paying subsequent taxes as the certificate holder. Only items due in the current fiscal year or prior year may be paid on as subsequent tax. Special assessments due in future years cannot be paid until the fiscal year in, which they become due. Failure to report subsequent tax payments will result in their omission from the redemption calculation.

Payment of subsequent taxes must be received and recorded in the office of the County Treasurer no later than 4:30 p.m. on the last business day of the month. **Online payments must be completed by 11:59 p.m. on the second last business day of the month. In no instance shall the postmark be used to calculate interest.** Recorded subsequent payments for sales held on or after April 1, 1992, will accrue interest at the rate of 2% per month, beginning with the month the payment is posted to the county system to the month of redemption.

8. Except for certificates held by a county, redemption is not valid unless received by the Treasurer prior to the close of business on the ninetieth day from the date of completed service. A redeemed tax sale will include the following:

- A. The original tax sale amount, including the certificate fee paid by the purchaser at the time of the sale.
- B. Interest in the amount of 2% per month calculated against the amount, for which the parcel was sold, including the amount paid for the certificate of purchase. Each fraction of a month is counted as a whole month.
- C. Subsequent tax payments paid by the purchaser and added to the amount of the sale with interest in the amount of 2% per month. Each fraction of a month is counted as a whole month.
- D. Valid costs incurred and recorded on the tax sale register for action taken toward obtaining a tax deed. The Treasurer shall not collect costs not filed with the Treasurer before redemption, but the certificate holder may pursue collection through a court action against the parcel owner.
- E. A \$10.00 redemption certificate fee to be retained by the county on tax sale certificates issued prior to June 1st, 2006.
- F. If the original certificate of purchase has been lost or destroyed, a duplicate can be obtained from the Marshall County Treasurer's office at a cost of \$20.00. For taxes bought June 2006 and after. For taxes bought prior to June 2006 the cost is \$10.00, per certificate.

9. The purchaser will be notified of redemption either by written notice, e-mail or phone call.

Upon surrender of the tax sale certificate of a redeemed parcel, either in person or by mail, the Treasurer's office will issue a check for the redemption amount, less the amount collected for the redemption certificate fee, prior to June 2006. The earliest a reimbursement could occur would be on the first business day following the cashier-validated date of redemption, as shown on the county system. The purchaser will receive a check directly or by mail and a copy of the redemption certificate, with a breakdown of the total amount of redemption, to be retained for income tax purposes.

In the event you have been reimbursed for redemption and the taxpayer's check does not clear the taxpayer's bank account for any reason, you will be required to return the funds to the Treasurer's office upon notification. We will return the tax sale certificate to you and cancel the redemption. The tax sale will be

reinstated as of the original sale date. A subsequent redemption will be calculated from the date of the sale to date of repayment.

10. The tax sale certificate of purchase is assignable by endorsement of the certificate and entry in the treasurer's register of tax sales. A certificate cannot be assigned to a person, other than a municipality, who is entitled to redeem. Please contact the office for further information should you desire to assign a certificate.

The terms and conditions set forth in this document applies both to certificates obtained through assignment from Marshall County and for certificates obtained directly through the tax sale.

On the day of the regular tax sale, or any adjournment thereof, the Treasurer shall separately offer these parcels. Notwithstanding any provision of the code to the contrary, the purchase shall not be for less than 100% interest in each parcel.

A. In order to be eligible to bid at the Public Nuisance Sale, the bidder shall enter into a rehabilitation agreement with the county or city as appropriate, to demonstrate the intent to rehabilitate the property for use as housing if the property is not redeemed.
